Demonstrations of mediumship can be such a wonderful expression of spirit and can also be an avenue for spirit to prove the intelligence of their world. It is a comforting thought to know that loved ones are still able to communicate with us, but also, to some degree, guide us. Many messages during a live demonstration not only give up-liftment to the individual receiving the message but can inspire and bring hope to those in the audience **"that life goes on and loved ones care for us and want us to improve as individuals"**

One of the great lessons in life is "Forgiveness is the Greatest Karmic Release that one can give to oneself or to another"

It is a message often brought about by the spirit world.

The cost is $25.00 per person
